

## **RYA Powerboat / Safety Boat Courses for members**

The Club, with the support of Cardigan Bay Watersports, intends to develop a package of training to develop the skills and awareness of members, in powerboating and safety to broaden the pool of volunteers available to support the Club, Cardigan Bay Regatta and the Rowing Club. If interested please contact the secretary or Crawford Mcleary.

We are pleased to confirm that we have had our application for 12 places for RYA Powerboat Level 2 funding from the Community Chest Fund approved. RYA PB2 is required to complete the Safety Boat Course, (along with First Aid).

Thanks goes to Niall Thomas for developing and submitting the application.

12 places will be available with 50% refund from the Club on completion of the course. The course can be booked through CBW and the normal fee £260 will be charged. Places will be offered on a first come first serve basis.

The Club intends to seek further support over the coming years to help develop and improve the skills of our volunteers.

Course dates are available on CBW website  
<http://www.cardiganbaywatersports.org.uk/>

Further dates for PB2 will be added as demand dictates.

PB2	29-30 July , 12-13 & 26-27 Aug	£260
