Vic Bearcroft Demonstration of Animal Portraits in pastel.

Saturday 23rd September @URCH

Vic Bearcroft was the demonstrator at our meeting in September. He explained that he uses pastels on Velour, as when he has rubbed it in, many more layers can be added to give the rich effect he wants. For our demo of Tiny the Lion , he used black velour and only a few different pastels. The outline was drawn in white, which can be covered if wrong, then the tonal sketch was rubbed in. The foundation layers were next, finishing with the highlights and details. At the end of his lively demo, he donated the picture to us to use for fund raising.

Gareth Jones Marine Artist

Several members and some non members attended Gareth Jones' demo on Saturday the 28th October. After telling us a little about himself Gareth set to work on a seascape, using Sennelier pastel card and mostly Unison pastels. He started with very light strokes using the side of the pastels and built up colour and depth gradually. A gentle and pleasing painting was then transformed into a vibrant scene full of movement by the addition of highlights and finishing touches. A most interesting and informative session. Thank you Gareth.
