

The well-used saying, "A picture is worth a thousand words," is certainly no more true than in photography. But sometimes words are nice too....

Geoff

We just wanted to write to thank you for being such an amazing photographer!

Both you & Sarah fitted in really well at our wedding and it was a pleasure to have you both there.

We can't wait to see the pics!

Thanks again

Geoff,

Thank you soooooo much for the photographs! They're the most beautiful things I've ever seen - even better than I imagined. You're brilliant! Ill try and decide what we'd like in addition to the prints - I'm so happy. Thanks again :) Catherine

Hi Geoff,

I can't tell you how delighted we are with the photos, they captured the day perfectly, in fact it looks like a photo shoot, the sky and the surroundings look amazing and I don't think any of us realised how gorgeous Becca and Jonty are! Including Becca and Jonty! You managed to capture the wedding and the preparations without being obtrusive, and I think that that the atmosphere is reflected in them. We had a lovely day, and your photos are a wonderful reminder.

Thank you so much.

Lynne

I would like to say the service and photos were beyond my wildest dreams, Geoff. You made our mother and father's wedding anniversary a day never to be forgotten and are a true professional. Thanks so much. PS I will recommend you to all my friends.

Hilary

To Geoff + Robbie,
Just a little note to say a big big thank you for our amazing wedding photos and for all the hard work (and long hours with no food!) you did on the wedding day. The photos are amazing, really capture the day and bring a big big smile to our faces everytime we go through them.
Thank you so much and we'll look forward to seeing you soon to select our favourites and put the album together.

Thanks again

Anika + Pete

Review

We booked Geoff for our wedding photography and so pleased we did... the photos area amazing... really capture the day and bring a smile to our faces every time we go through them... so many people have commented on how good the photos are and also on the way that the wedding album has been put together.

Geoff was relaxed and professional throughout and really listened to what it was we wanted from the photos and album. He spent all day on the wedding day with us and we were able to get all the photos we wanted without the photos taking over the day. He spent a lot of time after the day too working on the images and putting together various versions of the album for us making sure we were happy.

The package was really flexible and very reasonable and allowed us to get a photography package that suited us... We were really impressed with all the work that Geoff did and would have no hesitation in recommending Geoff as a photographer. **Anika & Pete**
