

Equal Opportunities and Equality Policy

Shots of Inspiration are committed to Equal Opportunities and Equality. This commitment is demonstrated through policies, procedures and practice. Discrimination is wrong and will not be tolerated under any circumstances.

Shots of Inspiration ensures that no clients, subjects or suppliers, existing or prospective, are treated less favourably on grounds of age, gender, race, colour, creed, disability, marital status, or sexual orientation.

Shots of Inspiration will not knowingly sub-contract to or purchase from suppliers who discriminate or treat any person or group in an unfair or unlawful manner.

Liza Watts and Ian Lancaster are jointly responsible for Equal Opportunities and Equality. This Policy is reviewed and updated as required and at least once a year. The next date for review is 31 March 2012. A link to the most up to date version of the Policy can be found on our website <http://www.shots of inspiration.com> for viewing or downloading.
