'Digital Stills' Content Package

This package is designed for when clients want a larger number of images for use in areas such as their 'AdultWork' galleries or other 'content management systems' and where the quantity of images is the most important factor.

We will work with you to make sure you get the most value for money and will also be able to give you advice beforehand that will make sure your time with us delivers high quality results.

- Sessions charged per hour
- No. of images only limited by time or customer requirements
- Unlimited 'usage rights' images for online use (AW, Twitter etc)
- All images supplied on DVD or USB (dependant on package options).
- Basic editing (crop, brightness etc). Although you may receive a significant number of images they will still be professional quality.
- All styles & levels of work undertaken.

We mainly work at our studio space near Birmingham City centre & the surrounding area but if your location is further away then additional costs may be applicable for travel/hotel expenses.

£75 per hour

A woman with long, wavy blonde hair is leaning over a dark wooden table. She is wearing a black, semi-transparent lace dress with a ruffled hem. She has her right hand on the table and her left hand resting on her hip. The word 'OAD' is written in a large, stylized, red, 3D font across the middle of the image. The background is a plain, light-colored wall.
