## Landscape Photography Courses

Join me for location based 1 2 1 or small group (max 3) landscape photography courses in South Wales. Courses last one whole day and will take place in the Brecon Beacons but can also take place on the Glamorgan coast (Penarth – Porthcawl) or Gower.

A one day course costs £100 with a deposit of £25 payable for both at booking, the balance due on the day of the course.

### WHAT YOU WILL NEED

- Not much – courses are tailored to your experience, requirements and the camera equipment you have
- Wellington boots and waterproof jacket and trousers are essential
- Warm clothing including hat and gloves will be necessary depending on time of year
- As we will be on location all day bring a packed lunch

**If you are at all unsure as to the suitability of your equipment please ask my advice in advance.**
