## External Competitions

The external competition season will soon be upon us. The first of these are the Photographic Society of America Interclub competitions for Nature and Projected Images; and the Scottish Photographic Federation Digital Championship.

*Mine!* By Alison Smart

*Kingfishers* by Mike Cruise

Paisley Colour PC needs your best images to prepare entries for these and other competitions later in the season.

For the SPF Digital Championship we require to submit a pool of 40 images, 8 of these will be identified in advance as our 1<sup>st</sup> round entry and the other 32 will be available to select our 2<sup>nd</sup> round and final or plate entries on the day of the competition. This is the only competition for which we have a selection team who choose our images from those available.

Our selection team needs to see the best that our members have to offer. So if you want to support the club in our attempt to do well in external competitions please forward your very best images to me at the email address below.

*Sunrise at Hamnøy* by Robert Fulton

*Above the Crowd* by Duncan McEwan

Image files should be prepared just as for club internal competitions, i.e. no more than 1600 pixels wide and no more than 1200 pixels high. Please supply a title for each image.

Note that if you are currently a member of more than one club you can only represent one of them. If you are a member of only one club (PCPC) or if PCPC is your preferred option for external competitions then any images previously used for any club in the SPF Digital Championship cannot be used again in that competition.

The images shown above are among the highest scoring from our entries in recent years.
