## Guidelines for speakers/lecturers

### **On the night and after**

- \* Someone should welcome the speaker upon arrival
  - \* Offer the speaker a drink upon arrival
  - \* Arrange for a club member to attend to the speaker's needs, help set up
  - \* Meeting should start / finish on time
  - \* Evenings running order should be explained before speaker starts (Mid break, or at end)
  - \* Introduce the speaker in a courteous manner stating any photo honours, areas of interest, club or organisation they represent, and any other relevant information.
  - \* Give a vote of thanks that is personal
  - \* A short thank you letter/email after can be quite rewarding but not essential
  - \* Ensure that someone is delegated to give the speaker their agreed expenses before they leave
- \* When a speaker has been invited to give a talk at your club, the following protocol should be extended. By doing these suggestions, it will provide your club with a number of significant benefits; namely they create a good impression with speaker's and visitors, show that the club is professional in its approach to guests and shows the club members that their club is one in which they can be proud off.

The following simple guidelines will ensure that they are accorded the treatment they deserve:

### **Before the night the speaker should be sent**

- \* An invitation letter with a response part /letter
- \* Instructions on how to get to the club
- \* Contact details for someone available on the night
- \* What equipment will be required by the speaker – projector, screen, laptop etc.

**□ PLEASE DO NOT PHONE SPEAKER'S AFTER 9:30 PM UNLESS YOU HAVE MADE ARRANGEMENTS TO DO SO**

### **Expenses**

**Unlike judging, many speakers have their own fee for their talk's/lectures or just accept travel expenses, care should be taken to make sure your club is fully aware what the speaker's fee is when booking as this may change from fee stated at date of print. Where Mileage is at PAGB rates please check what this is at time of booking**

### **Updates**

**This list will be updated as and when required, Should you wish to appear on the list or can recommend a speaker that can be contacted to see if they wish to appear on the list then please email David Devoy – [dpdphotography@gmail.com](mailto:dpdphotography@gmail.com) (Beith Camera Club)**
