New Limited Edition Tote Bag

New additions for Spring

I have been doing some research into fabrics for my scarf designs and I'm delighted with my new find. It is a light Silk Crepe de Chine fabric which when printed allows the image to be visible on both sides.

'Nebula' is a design printed on this silk, it measures 130 x 130cm large enough to be worn as a sarong making it a versatile addition to your wardrobe. There are currently two designs available in this luxurious silk.

Nebula

I have also extended the designs to cushions; printed on a soft suedette fabric and measuring 45 x 45cm – the perfect splash of colour and finishing touch for your home! For enquiries please click on the [link](#)
