MOBILE CONTACT NUMBERS	
JANE: 07739518796	<p>The cost per week is £3.50 per event, except special events where you will purchase your own ticket. Bring each week money to pay driver, tripod, camera, memory cards and all accessories you require, as well as proper footwear and rain ware, mobile phone and contact numbers. If you are coming along meet at Morrisons Car Park, Wishaw, 6.45pm prompt, unless otherwise informed. One car will wait till 7pm if we know you will be late. Just phone one of the contact numbers and let us know. Some events require you to book online to obtain the best ticket price. If this a problem in all cases you can pay at the door. Be back to the car for the time arranged and if you are unsure of how to get back stay with someone who knows the road back. Last year we were given free tickets for the Edinburgh tattoo with our contacts on Wednesday nights. We may or may not get them this year, but if we do they will be shared to members on the evening.</p>
