ANNMARIE MEREDITH PHOTOGRAPHY

Photo Shoots

I love working with people to capture images that tell their story and show them in their best light. You will find your photo shoot a fun and relaxing experience as I coach and direct you to ensure you have a wide variety of images to choose from.

Photo shoots can take place at your home or office, or on location at a local park. Hair and make-up can be arranged for your shoot at additional cost. Solid colour shirts/tops are preferred and avoid white if possible - it can wash out skin tones.

How to book

Please contact me with your preferred dates and location. Once the date is confirmed, a £50 non refundable deposit is required to guarantee your booking. The balance should be cleared and received on the day of the photo session, by cash, cheque or bank transfer. Prices are based on London locations, travel expenses outside of London are additional.

Albums, framed artwork and canvases can be ordered on request.
