

JEANETTE WEATHERITT - TREASURER

Hi, I have been the Treasurer since 2024.

I have been a member of the Art Club since 2019. I joined the Wednesday Craft Group and have learnt a lot from the other crafters.

Before I retired, I was a chef and worked in hotels, before moving to Lauder College, where I enjoyed teaching our up and coming hospitality students.

I have been married for 52 years and have 3 sons and 8 grandchildren. We moved to Fife from Embo, Sutherland when our grandchildren stated to appear.

I wanted to be a full-time Granny, not the one that they only saw once or twice a year and to be there to help my sons with childcare. I have enjoyed seeing them growing up and turning into adults. The oldest one is 24 and the youngest is 14.
