Downloads & Media Files

Any downloadable documents, files or media made available on the site are provided to you at your own risk. You are advised to verify their authenticity using anti-virus software or similar applications.

Mailing List & Marketing Messages

For the avoidance of doubt, we do not operate an email mailing list programme or send email marketing messages.

Website Links & Third Parties

In providing any external links to other websites, we will first examine those websites and include links to them only if we reasonably believe them to be dependable and reputable. However, we cannot and do not represent that those websites are safe to visit. You should adopt a policy of caution before clicking any external links on the site.

Our site may feature embedded content (e.g. videos, images, articles, etc.) from other websites which behaves in the exact same way as if the visitor has visited the original website.

Our site may also feature social sharing buttons, which help share web content directly to social media platforms. You use these buttons at your own discretion and accept that doing so may publish content to your social media profile feed or page. You should check any social media platform's own privacy and usage policies.

Use of cookies

Our website uses cookies to improve your experience while visiting the site. Cookies are small files saved to the device with which you access our site. Some cookies are necessary for quick and easy navigation through the site. Others may record your usage of the site (such as the pages you visit or errors you may experience) and improve functionality.

You can modify your browser so that it notifies you when cookies are sent to it or you can refuse cookies altogether. You can also delete cookies that have already been set. Please refer to your browser's help function for specific instructions
