What's involved?

A great photographic day out in the beautiful Cotswolds exploring the many and varied scenic areas that the region has to offer! Accompanied by your experienced, knowledgeable guide for the day you are sure to capture images to be proud of!

Who's it for?

You may be a visitor or have recently moved to the Cotswolds area or you may be an established resident - the tour days are for anyone with an interest in photographing the fabulous scenery, village life, flora and fauna of the amazing Cotswolds. All levels of ability and all levels of camera equipment are catered for!

How does it work?

We run personalised photographic tours to ensure the focus is on YOU for the whole day. In this way each tour can be kept flexible to suit conditions on the day and make sure you do not miss out on the best photographic opportunities.

We keep our tour organisation process very straight forward:

- * Email or call us with your preferred tour date. If possible give us an idea of the type of tour you would like (drive, drive-walk or walk), your preferred area of the Cotswolds (if you have one) and the kinds of photography you are most interested in doing on your tour (landscape, people, wildlife etc)
- * We will respond to your enquiry within 24 hours, answer any queries you may have and offer to book you in for your tour.
- * Confirmation of booking is made with a 10% deposit payment
- * We will ask for the balance payment for the tour to be made a few days before your tour date (or you can pay cash on the actual day if you prefer)
- * On the day, we come and pick you up (or arrange to meet you at the tour starting point) and take you out into the Cotswolds for your personalised photography tour and capturing those fabulous images of the area!
