Individual and Small Group Photography Workshops

We designed our individual / small group workshops in response to the number of enquiries we were receiving for more 1:1 photography tuition. During 2019 we are delighted to be able to provide personalised photography days (or half days) tailored to your requirements and your location.

All our workshops offer you:

1:1 (or bring a friend) guidance and instruction at a location suitable for YOU (within Gloucestershire)

Whole, half or any part of a day to suit your availability

Practical, hands on photography - we get you out and about using your camera without an overdose of technicalities (unless that's what you want!)

A friendly, knowledgeable tutor to help you get more from your camera and develop your photographic skills

Dedicated learning time with your tutor without the limitations of larger groups

A chance to review and discuss your photos in detail

2 months free follow up "distance learning" access to your tutor allowing you to ask further questions, receive feedback on your images etc

Exclusive discounted offers (up to 15% off) on further AMP Photography Learning products such as our unique Cotswold Photography Tours

2019 Pricing

We price on an individual basis depending on your exact requirements but as a guide:

* half day (2.5 hours) from £80

* whole day (5 hours) from £125
