The course fee is £90 payable with application at the Honey Show on 20th October.

Course numbers are limited to 14 members.

Starting date Tuesday 19 May 2019, 7pm at St Saviours Community Centre.

If the course is oversubscribed and there are sufficient numbers a second course may at the discretion of the committee be run. In which case you will be placed on a waiting list.

Membership of the association is encouraged as this will provide you with support in the early stages of keeping your own bees and membership will also help secure your own colony.
