

## LEICESTER FOREST PHOTOGRAPHIC SOCIETY

Come to meet us and see what we do at any club evening on a  
Thursday at 7:30pm.

Braunstone Civic Centre, Kingsway, Off Narborough Road South, Leicester, LE3 2PP

Whether you are new to photography, or want to extend your skills, you will find plenty to interest and stimulate you at Leicestershire's premier photographic club, **Leicester Forest Photographic Society (LFPS)**. We pride ourselves in having members of all abilities who benefit greatly from the wide range of activities we organise. We have a comprehensive programme of lectures and competitions together with a well-equipped studio group. We also organise members support evenings to help members improve their photographic techniques. Modern smartphones, tablets and compact cameras can now take high quality photos, so you do not need to have a camera with interchangeable lenses to join in and participate. We welcome everyone who wishes to join us. Visit our website to see more.

**[www.lfps.org.uk](http://www.lfps.org.uk)**

LFPS also maintains a FaceBook Group. This provides information and prompts about forthcoming events and competitions, and a weekly challenge on a theme, for members to share images. Anyone may apply to join it.
