Come and Try Things Out!
Non-Members welcome

You can come along and just paint and chat to other artists, but...

We also offer the opportunity to try out different materials before you go to the expense of buying your own, the chance to experiment with new techniques, the challenge to try something a bit out of your comfort zone.

MONTHLY MEETING

Non-Members welcome

One Wednesday a month (except Aug and Dec) we have our Monthly Meeting 7.30pm to 9.30pm. £1 at half time buys you a spot of refreshment.

Normally there is a guest speaker to give a talk, a demonstration or a presentation. Sometimes we have a practical drawing or painting session.

Non-members are welcome to attend but pay a £6 temporary membership fee.
