

DCPC-RAW TO RESULT CHALLENGE - ADDITIONAL INFORMATION FOR MEMBERS

Submitting images

1. members can send in images at any time to Brenda Howard
2. two images should be sent:
 - a. one in the native format of the camera for member-editors to use,
 - b. one in JPEG format, for publishing as a “before” image on the website
3. file naming:
 - a. both raw and JPEG files to have **the same name** (i.e. only the suffix differs)
 - b. name format as follows: original image number (as it comes out of the camera) followed by “before” plus suffix (.jpg or .cr2 or .dng or other proprietary abbreviation)
 - c. no author’s name, special characters, or any other supplementary information, such as dates
e.g. 12345 before.jpg
12345 before.cr2

Giving feedback on images

1. members who select an image will receive the file in its native format
2. The editor will be assigned a “result” number when they receive the image. This needs to be used in the filename when it is returned)
3. editors can use any software to process the image
4. the edited image should be returned to bren.howard1@btinternet.com by Friday, as follows:

in JPEG format, sized to 1400 X 1050 pixels

[file number] “after” “result[number]”

e.g. 12345 after result 2.jpg
5. The editor should provide notes, or screenshots, of the main editing changes. These will be used in the summary of results for the website. Please keep your feedback brief.

Display of images on club website gallery

1. approximately 30 images will be available for edit in the “before” at any one time
2. new images will be uploaded to the “before” gallery weekly on Monday evening
3. original images plus any edited versions will be displayed in the “before” gallery for three weeks after which they will all be moved to the “after” gallery
4. images will be available for edit from both the “before” and “after” galleries
5. a document will be posted weekly on the club website showing thumbnails of the before and after images, along with brief editing notes from reviewers. Images can be expanded by clicking on them
6. any images with no responses after three weeks will be removed from the “before” gallery and deleted from the website
7. All the “after” images will be sent to the original author and each reviewer, unless the editor has declined to allow it to be shared
