### FRCC summer outings? Short-notice outings, depending on weather.

Bring your: cameras, lenses, fully charged batteries, tripod, empty SD/CF cards. (Filters, your coat, torch, etc )

If you would like to join us for 'Outings' please give your name to Kim and she will add you to her list.

We will keep an eye on the weather, and depending on the 'photo opportunity', will contact all those on the outings list, normally via email.

Notice will be very short: perhaps just a few hours, but hopefully longer if it's possible.

Then if you are available and would like to go on the outing, please let Kim know, so that we know who will be attending.

Keep your camera batteries charged, and an eye on your emails, just in case!
