

Fowey River Camera Club

Information for forthcoming season 2021-22

Meetings will be held at Squires Field Community Centre, commencing Thurs 9TH Sept.
Doors open at 7:10pm for a 7:30pm start.

To be reviewed as necessary.

Covid guidance for SFCC meetings: We will follow government guidelines and SFCC requirements for meeting on their premises.

1. Please do not attend if you are feeling unwell, or suspect/know you have the virus.
2. We suggest you take a lateral flow test on the day of the meeting. Packs can be obtained online, or picked up from a chemist. We would prefer you to take a test but it is not compulsory.
3. Please wear a mask, unless medically exempt. (Suggestion: a FFP3 mask is proven to be safe against Covid 19)
4. Please use hand sanitising gel, or wash your hands, on arrival and as necessary.
5. We have suggested you bring your own refreshment in a flask, to avoid using the generic kitchen items which anyone can use. The kitchen will be available if you want, but please let us know in advance.
6. We will sanitise all touchable surfaces before you arrive.
7. Seats will be set apart.
8. Windows will be open for fresh air, so we may need to wear our coats, as the weather turns chillier.

Subs will be due whether we meet in SFCC or on Zoom. (FRCC still has expenses to pay: judges, rent, insurances etc)

Competitions will be held this season (whether meeting in SFCC or via Zoom)

We will be using the 'Photo Entry System', further information will be provided to all paid up members.

Competition titles for this season are:

1. Circles and Lines
2. Landscapes
3. Street
4. Open
5. Nature-Wildlife
