WELCOME

MEET DEREK

*I'm honored to be a part of
your big day...*

Hi, I'm Derek, Owner & Principal Photographer of Derek Harley Photography. As a documentary style wedding photographer, my approach is unobtrusive and my photographs are candid and honest.

I will capture the laughter, the tears, the love and the characters..... everything that makes us all human and the fundamental ingredients of a great wedding day melting pot. Wedding photojournalism relies on the photographer to capture the emotion and excitement as it really happens. It's an artform I've been developing over 30 years in order to produce amazing wedding photographs.

Sincerely, Derek
