

Beginner Photography WorkShop - Promo

Come join Harry on this fantastic Photography WorkShop where you will learn the

fundamentals of photography to capture great photos, on location, right here in the beautiful Blue Mountains NSW. This WorkShop is perfectly designed for novice photographers & enthusiast photographers in mind, taught in very simple to understand language.

At this Workshop, you will learn how to set up your camera to capture beautiful photos, you will learn how to use the polarizing filter to saturate colours & cut through the glare, and much more.

We will be visiting and photographing some beautiful picturesque locations in and around the Blue Mountains.

Duration of WorkShop:	10hrs
Locations:	Blue Mountains, NSW
Photography Level:	Beginner/Amateur
Physicality level:	Easy to Medium
Cost:	AU\$460 pp (incl. breakfast)
