

THE MAN

Michael is a **Wedding, Portrait and Lifestyle** Photographer covering Dorset, Hants & Wiltshire. After a spell as an accredited international training and animation consultant spanning 20 years, he made a career change and qualified as a personal development coach. About the same time (2004), he again picked up a camera and started photo- graphing portraits and friends weddings. This led to several Wedding and Portrait commissions and eventually, documentary and Travel commissions with photo-shoots in France, Thailand, Australia and Central America.

Michael's informal style and rapport with clients led to an increase in work and the photography business has since developed to where, in 2013, he was asked to supply work for auction by an International Animal Welfare Charity. This was followed by a recent exhibition of his work in Southern France.

He is also an Associate of IITT (Institute of IT Training) and a Member of the RPS (Royal Photographic Society).
