

One to All - Members Club Evening.

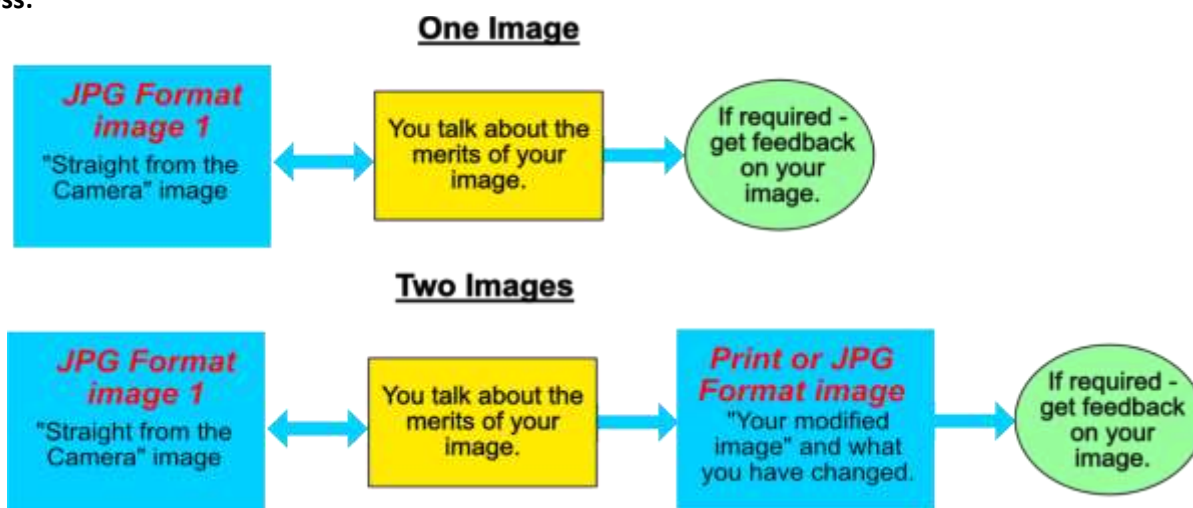

A “straight from your camera or phone” image, which will be projected to the members. If you have “played around” with your original image then let see this image also. You can submit 1 to 3 original images and up to 3 more if you have “played around” with all 3 original images.

Just tell the members why you took the image in the first place, and if you know the camera settings what they were. A potential list of topics that you may want to discuss about your image would be:

- Where/when the image was taken.
- What attracted you to the scene, to lift up your camera/phone and take the image. For example, was it the composition, vista, funny, unusual, patterns, strange, etc.
- Your camera/phone settings when taking the image e.g., the ISO, aperture, shutter speed, lens, etc.
- What you intend to do with the image - use for family/friends only, put the image on Instagram or Facebook, or use in a future club competition/salon.
- If you have worked on the image then let's see what you have done to the original image - could be print or digital format. Let us know what you have done to your original image, e.g. exposure or colour enhancement, converted to B&W, cropped, removed distraction, replanted part of the image into another image, etc..

If you would like feedback on your image from the members (or the club judges in attendance on the night), then just ask.

The Process:

The submitted image should be **new to the club and can be used** in any future club competitions.

Q&A

- **Do I have to submit an image?** – No, but to make a club evening of this event, we need as many members as possible to participate. I would encourage all members to submit at least one image (or two for the before and after).
- **How many images can a submit?** - Up to 3.
- **What's the format for the submitted images?** – the usual with further information on Image Size requirements from our web page: <https://barnstaplecameraclub.co.uk/section869358.html>.
- **Will we see all of the members images in one night?** Depends, but we can always schedule a future calendar date to show those images that were not shown on the night.
- **Do we need to ask for feedback on our image?** No, but if you do, just ask for any members critique of the image and the end of your talk.
- **File format of image title?** - “ImageTitle-Mxx.jpg”. For the second image it would be “Image Title 2-Mxx.jpg”. Note: If you are showing a **print for your 2nd image**, then it would be useful to have the DPI version of the image so that it can be projected in the hall.
- **Will the competition secretary chase me if I don't submit an image?** Yes, he is very good at doing this on behalf of the club!
