

## **UB the Judge Evening**

This is a fun event where you can submit up to four images, one for each of four rounds. Attending members on the night will vote on the best images in each round. The overall winner, will be the member with the highest number of votes at the end of the evening. You can submit up to four images into this event. Tell the competition secretary which image should go into which round. It's up to you, put your best image forward in round one, or leave it until round four and hope to get lots of votes from the attending members.

This is an “Open” event, no “Set Subject”. So put in an “Ah image” to get the votes, or an abstract, or a straight from the camera image, it's up to you. You're competing with the other submitted images in each round, so you won't know if you will get the votes until the end of the evening!

Image format, **DPI only**, jpg maximum quality, colour profile sRGB, size 1600 by 1200 pixels landscape, for portrait format maximum height 1200 pixels. You don't need to add a canvas area around the image to get the correct size for our projector.

File name of the image for each round as follows:

“1 Title Image -Mxx.jpg”, “2 Title Image-Mxx.jpg”, “3 Title Image-Mxx.jpg” and “4 Title Image-Mxx.jpg”. Where Mxx is your club member's number
