

ABRIDGED COMPETITION RULES

General

- All images must be the work of the author and originate from a camera and taken in the last three years.
 - All competition dates are published at the start of the year, late submissions will not be accepted.
 - In Photographer of the Year competition rounds images will be marked with a score of up to 20.
 - The highest two (2) marks of each competitor in all three rounds of the competition (six scoring images) will be added together. The competitor with the highest total marks at the end of the year will be declared "Photographer of the Year" (POTY).
 - In the Annual Print competitions and PDI competitions judges will be asked to score images to a maximum mark of 20 and choose and declare an out right winner.
 - A maximum of three images may be submitted to any single competition or any single round of the POTY except in the Portfolio competition where four prints will be the submission limit.
 - In the case of the POTY these may be all print, all digital or a mixture of both.
- The Annual Portfolio competition will have separate and different rules (see Society Handbook).
