Notes – also on Flickr site:

The Centre is on Robert Lane, which is 0.6 miles from the centre of New Mill and 1.1 miles from the Centre of Holmfirth. Robert Lane is on the left coming from New Mill, opposite Springwood Rd (which runs up past the High School playing fields) with signs for "Friends Meeting House" at the junction. The Community Centre is about 150 metres from Holmfirth Rd, on the left and the only entrance to the car park is down the side of the building. If you pass the Community Centre you have gone too far. The turning into the car park looks tighter than it actually is - but it is best to swing out to the opposite side of the road just before you reach it. Make sure there isn't a bus coming! Post code is HD9 1XZ, which should work on sat-navs.
