

SPECTRUM ART GROUP PROGRAMME

2ND MAY – 11TH JULY 2019

at
THE WOODHATCH COMMUNITY CENTRE
7.30pm – 9.30pm

2nd May Amanda Webster. A Demonstration of Geometry in nature with view to creating an abstract painting. Guests welcome. (£5)

9th May Green Room. DVD Evening

16th May No Demo. Using Amanda's inspiration, paint your own Geometry in nature. This could be flowers, shoals of fish, rocks, ploughed fields or vineyards etc.

23rd May Ian Henderson. Working with Ian on an evening of adventure! You are to paint a memory using the theme ' Every picture tells a story '. (another version of a topic Ian helped us with in a past session) . You can choose any medium.

30th May Joel Waring. A demonstration in how to paint simple figures in town or landscapes without making them like portraits. Guests welcome. (£5)

6th June No Demo. Using last weeks demonstration, produce a painting that includes people in town or country. Use any medium of your choice.

13th June No Demo. A chance to catch up and finish some of those paintings cluttering up the dining room!!!

20th June Frances Jordon. A demonstration in painting stone. This technique is suitable for painting statues, rocks, pebbles or for use when painting buildings. Guests welcome. (£5)

27th June No Demo. Using your own reference, produce a painting using the techniques demonstrated last week.

4th July Paul Simmons. A Demonstration. ' 4th July ' A celebration of America. Paul will do two paintings to wet your appetite for the following week. Guests welcome. (£5)

11th July Paul Simmons. Working with Paul, references will be provided but feel free to use your own. Your work can be produced in any medium.
