

## **Covid-19 - general statement**

All persons are responsible for their own well being both during a Gay Gordons' event and when travelling to/from the event. You must also consider the well being of others. You are encouraged to participate in available vaccination programmes. If you are in a vulnerable category please take appropriate precautions and consider whether it is appropriate to attend an event in your personal circumstances.

## **Covid-19 protocol for the Gay Gordons' Tuesday Dances at Mary's, Upper Street, Islington**

1. **Social distancing requirements**
  - a. **face coverings** (eg mask or visor) **must be worn** at all times within the building unless you are unable to do so (for example due to a medical condition) or whilst you are performing duties as MC or an event organiser;
  - b. you should not socialise within the building; and
  - c. you **must not congregate** in the corridor leading to the Sports Hall; this is in use for other events in the building. If you arrive early you should remain outside the building until access to the Sports Hall is possible. Late arrivals can use the entry phone system at the door of the building to arrange admission.
2. You **must minimise contact** transmission.
  - a. Sanitise hands on arrival, departure and at intervals during the event (for instance after adjusting a face covering). Attenders are encouraged to bring their own sanitiser. (Hand sanitiser is available at the entry to the building and within the Sports' Hall.)
  - b. Bring any water required for your personal use. (Water bottles can be refilled from the water fountain in the corridor but attenders must not drink directly from the fountain.)
  - c. Minimise use of the toilet facilities at Mary's and utilise the hand washing facilities.
  - d. Avoid unnecessary physical contact with surfaces at Mary's.

4. You **must leave** if you begin to feel unwell during an event.
