

## Outings

The Club organises a series of outings to complement the physical and on-line meetings and to give members a chance to take photographs together for fun and to learn. Announcements about our outings will be made nearer the date of each outing.

## On-line meetings

During periods of Covid-19 safety concern and as advised by Swavesey Village College the Club will conduct its meetings on-line using Zoom (<https://zoom.us/>), a free-to-use application. Meetings are free to paid-up members. Guests can be admitted by prior arrangement using the contact page on the website and payment of a nominal visitor fee of £4. An invitation to each Zoom meeting will be sent out by the Committee to members during the week prior to the meeting. Members are asked not to share this invitation with non-members.

Please join the meeting in good time before the advertised start time to minimise disturbance to speakers and participants.  
Thank you for your cooperation.
