## L&LPS EXHIBITION 2019 CONDITIONS OF ENTRY

### ENTRY FORMS

Please complete an entry form for each section entered. Fees and, where appropriate, return postage must be included with the entry. Please make cheques payable to "Leicester & Leicestershire PS". Alternatively, payments may be made through the website using PayPal or by bank transfer to acc. 00047536, sort code 30-18-69.

### MEMBERS

Members may enter free of charge up to 6 images in each section. Members may also enter any of the open categories; fees are 75 pence per image.

### OPEN ENTRY

Each entrant may submit up to 6 images per section. Fees are 75 pence per image.

### CLUB ENTRY (Greenlees Trophy)

This section is open to any photographic club or society. The entry must consist of 4 PDIs, from 4 different authors, colour or monochrome. The images will be scored out of 20 and the trophy given to the entry with the highest total score. In the event of a tie the judge will select the winner. The fee is £3 per entry.

### NATURE SECTIONS

The definition of Nature images can be found on our website on the Revised Competition rules page (<http://www.landlps.org.uk/section638482.html>). Correct short descriptive titles should be used; 'cute' titles are not acceptable.

### GREAT CENTRAL RAILWAY PRINTS & PROJECTED IMAGES

Entries to these sections must have been taken on the Great Central Railway. If the company wishes to reproduce any of the images submitted, the contact details for entries to this category may be passed to the Great Central Railway.

### PRINTS

Prints must be mounted on board with dimensions not exceeding 50 x 40 cm and no more than 4mm total thickness. The print must be labelled on the back of the board with the title, author's name, club (if a member), and section entered (no details to appear on the front).

### PROJECTED DIGITAL IMAGES (PDIs)

Images can be submitted on a CD, memory stick or by email and the file name should be just the title of the image (in the correct case and punctuation if possible). They must be JPEG format, maximum of 1400 pixels wide x 1050 pixels high (portrait also 1050 pixels high). The title or author's name must not appear in the displayed image. Images will be projected for judging and for best display should be in sRGB colour space.

### GENERAL

No image submitted to a previous Leicester and Leicestershire Photographic Society exhibition will be eligible for entry in any section, whether or not it was previously selected.

No image can be entered into more than one section. Identical images submitted into more than one section will be disqualified from all. An exception to this is the Greenlees panel which can include images submitted in other sections.

Entrants must hold the copyright of all submitted images. The society accepts no liability for any breach of copyright by an entrant. For digitally produced images, the entrant must be the author and owner of the original image(s) used; the use of copyright-free images is not allowed. This does not debar photographs from including works of art, e.g. an icon in a church; graffiti on a wall.

Copyright remains with the author but by entering you grant the society permission to reproduce any entry in the catalogue, on the website or in the press in connection with the exhibition.

The society reserves the right to reject any image which, in their absolute discretion, is considered undesirable. Subject to this caveat, the selection of images accepted for the exhibition will be made wholly by the judge.

In the event of any dispute, the decision of the L&LPS Exhibition Committee shall be final.

Every care will be taken of the entries, but the Society cannot accept responsibility for loss or damage, however caused.

Your contact details will be retained for sending you notification of future annual exhibitions unless requested otherwise.
