TERMS & CONDITIONS

1. Charges for any digital scanning or image capture will be quoted and agreed in advance.
2. The price quoted will depend on the number, size and quality required by the customer.
3. All files will be fully colour and tonally balanced. Test prints are charged separately (see Terms & Conditions).
4. Files can be provided on CD, memory stick (if provided by customer) or sent digitally, on request.
5. One Tiff file is provided per image. Any further files required will be charged additionally, starting at £2.50 each.
6. We provide Good In Trust Insurance to cover original artwork up to a single value of £5,000 (value must be substantiated).
7. Note: Printing from existing scans or image capture. If the customer is providing a scan or digital copy of an image, we cannot guarantee that the colour and tonal balancing will match the original if we do not have the original artwork to reference.

PAYMENT

1. Payment must be made prior to delivery or collection.
2. Payment can be made by cash, cheque, via PayPal or direct bank transfer (full details on all invoices).
3. If paying by PayPal, please ensure you add the relevant fee, or make a payment to an individual (friends or family).
