

Studio Portrait Day 2

May 14th 2020 10 - 4

at

Rawpics Studio

A day to experience studio portraiture with two experienced professional and expressive female models with an opportunity to create some fashion and character-based images using different lighting techniques. Both models have great portfolios and can take direction or suggest poses.

Open to a maximum of six photographers with opportunities to work independently as well as in pairs.

Studio guidance on lighting provided. We will use studio lights and studio flash.

You will need : in addition to cameras, batteries and memory cards - a tripod (but not always essential) and also your camera manual just in case you get stuck on how to change settings. **And plenty of creativity!**

Cost £85 - this covers all model and studio fees
